**Subject: Request for Approval of a Six Months Extension of Compliance Schedule  
(Notice and Order 09-02) for Otay Landfill (37-AA-0010), San Diego County**

Dear Ms. Merlos:

I have received and considered your agency's February 24, 2011 request to extend the compliance schedule by additional six months beyond the one year period previously granted by the Local Enforcement Agency (LEA) for Otay Landfill, a facility in the Inventory of Non-Complying Facilities List. I hereby approve your request for the extension of the compliance schedule until August 26, 2011.

CalRecycle staff are encouraged by the corrective measures the owner/operator put forth, since the issuance of the compliance schedule on June 17, 2009. Staff also commends the LEA for its continued diligence in pursuing that the violation is corrected and that full compliance with the applicable state minimum standard is achieved.

Thank you for your work in the matters of the Otay Landfill and in your commitment to partnership with CalRecycle staff. If you have further questions regarding this letter, please contact Ms. Georgianne Turner, Manager of the Solid Waste Enforcement Section at (916) 341-6429 or at [georgianne.turner@calrecycle.ca.gov](mailto:georgianne.turner@calrecycle.ca.gov).

Sincerely,

Lorraine Van Kekerix, Branch Chief  
Waste Evaluation and Enforcement Branch  
Department of Resources Recycling and Recovery
